Memorandum:

Re the application for purchase of 77.39 acres of land north of the lake.

In connection with the above application, I beg to call your attention to your directions, as per letter of November 17th January last.

Under date the 14th ultimo, Mr. Homestead Inspector Green reported that 45 acres situated in the lake are low and marshy.

Of the area north of the lake (77.39 acres) about thirty acres are fit for cultivation, the rest being low, wet and marshy, but, if drained, would make good hay land.

If the portion lying south of the lake the acres are fit for cultivation. The balance, 17 acres, is wet and marshy but can be drained and improved.

The Homestead Inspector recommends that as Mr. Johnson is situated that he is the only man that could drain the land to advantage as he is permitted to purchase the whole of the conditional quarter section or the portion lying north of the lake."

Commissioner of Dominion Lands.

I beg to advise, for consideration, the application for a homestead entry for the S.W. 1/4 of section 32, Township 56, Range 6, West of the 4th Meridian. This quarter section comprises 160 acres and is shown outlined in red on the sketch.

The applicant states that the land separating his homestead from the portion applied for has been condemned and that one in line thereof has been run further north.

The remainder of the S.W. 1/4 of section 5, shown bordered blue on the sketch, has been disposed of to John Johnson in connection with his homestead entry for the adjoining N.W. 1/4 of the section.

I might say, in this connection, that the Homestead Inspector's report, beneath, dated the 14th March, 1911, obtained in connection with Mr. Johnson's application, contains the following information in respect to the parcel now under consideration and the land adjoining same:-

"There is 37 acres lying south of the lake, 10 acres of which is fit for cultivation. The low, dry and marshy, this also can be drained and improved."

"The lake contains 45 acres. It is low and marshy."

Re Proc. N. E. 1 18-49-5 W. 4th N.

Replying to your letter of last month, received here on the 1st instant, respecting the area of the above quarter-section, and you wish to purchase the same, I am directed to say that the Department is guided by the plan of survey, which gives the area as 159 acres. Your application to purchase the parcel cannot therefore be entertained, as fractional areas of 80 acres or less only may be disposed of to homesteaders or owners of adjoining land. In this connection please refer to page 16 of the enclosed regulations.

Sir

I have made application to the Land Office here to purchase the fractional area of R.F. 4, Sec. 18-44-3 which is not suitable for agriculture and is only adapted for grazing land on account of the numerous slues, and the land between being ridged along winding slue from 2 to 4 rods wide crevices the quarter into two parts. Although I did not measure the land I went over it carefully with others and we find less than 80 acres arable land and there is only one piece where 10 acres can be plowed in one field.

The Surveyors report gives this quarter 159 acres and does not mention any slues as I do not expect the Land Office to accept my statement will you kindly order the Homestead Inspector to examine this quarter and report. The Land Office advised me to write to you about this.

# 2

I may state that I filed homestead entry in Sept 1908 on the N.W. quarter of this sec. 1.W. 1/4 Sec 18-44-3. N. 4<sup>th</sup>, and I have put in two months residence in my second year, and have 30 acres broken, 8 acres of which I grew flat

I may also state that a number of land seekers the last summer looked at this quarter for a homestead and they said it was impossible to make a farm of it

Will you kindly inform me if it is possible to purchase this quarter for grazing land

Yours Respectfully

Memorandum:

Re the squatters' claim of Mr. Bidelet to the  
S.E.  $\frac{1}{4}$  8-6-2, 4.5th M.

Mr. Bidelet claims residence since August, 1907, and improvements consisting of a dwelling, fencing and clearing.

Messrs. Kemmis & Thomson, Barristers, of Pincher Creek, writing on behalf of the applicant in March, 1910, stated that he was in residence at the time of survey and appeared before the surveyor, who could not understand him as Mr. Bidelet was unable to speak English.

The surveyor stated that, at the time of survey, a house had been started on the land but was not complete, and added that the applicant did not appear at his camp to make declaration.

The Hudson's Bay Company, to whom the land in question is allotted, has been requested not to take action towards disposing of the same until Mr. Bidelet's claim is fully investigated.

Under date the 30th ultimo, Mr. Homestead Inspector Link reported that Mr. Bidelet was not in bona fide residence, although the wall of a house had been erected by him, prior to survey. The applicant, it is stated, has resided with and worked for Mr. G. Biron, the homesteader of the N.E.  $\frac{1}{4}$  of Section 14 in the above township for a considerable portion of the time since his arrival in this country.

The improvements consist of a log cabin, valued at \$50.00.

On the title to the E. 1/4 quarter the debtor gave a mortgage for Nine hundred and thirty-eight dollars and thirty-five cents (\$938.35) to the Standard Bank of Canada and this mortgage was registered August 16th, 1919. The title to the S. E. 1/4 quarter shows a mortgage for One thousand dollars (\$1,000.00) registered on March 19th, 1912 to the Canadian Mortgage Association and was transferred to the Credit

- 2 -

Fondier F.C. on April 7th, 1920. Both of these mortgages were registered prior to the various liens for Joint Relief Advances.

Under date of September 12, 1924 the title to the S.E.  $\frac{1}{4}$  4-11-12-W.4th. was transferred to Credit Foncier Franco Canadien by a Vesting Order. With reference to the N.E.  $\frac{1}{4}$  4-11-12-W.4th, taxes were allowed to accumulate with the result that in the year 1927 the Municipal authorities acquired title through tax Recovery proceedings.

Prior to 1927 the debtor left the district for parts unknown and there was no sale for the land until recently when an offer of Six hundred and forty dollars (\$640.00) was accepted by the Municipality. They will be required to furnish a clear title, and have requested an adjustment of the account.

In view of the location of the parcel and the fact that the Municipality held the land for such a great length of time before a purchaser was found and as the assessed value is Four hundred and eighty dollars (\$480.00) I believe that the sale price represents a fair value.

The arrears of taxes as report by the Secretary-Treasurer amount of Six hundred and seventy-six dollars and twenty-seven cents (\$676.27) and that part of the account set out above for which liens were filed against the N.E.  $\frac{1}{4}$  4-11-12-W.4th is Eight hundred and ninety-nine dollars and forty-nine cents (\$899.49). It is therefore my recommendation that after allowing for a nominal amount of Five dollars (\$5.00) to cover costs the balance of the sale proceeds of Six hundred and thirty-five dollars (\$635.00) be applied ~~to~~ <sup>as credit on account of taxes and Joint Relief Advances</sup>. The allocation of the monies will be as follows:

|                       |               |
|-----------------------|---------------|
| Costs                 | \$5.00        |
| Taxes                 | 272.52        |
| Joint Relief Advances | <u>362.48</u> |
|                       | 640.00        |

Since no further security remains and no recovery can be made under the personal covenant it is my further recommendation that the account be adjusted so that it will stand paid in full and the respective liens discharged.

Provincial Seed Grain in the principal amount of seven hundred and fifty-six dollars (\$756.00) together with accrued interest have already been cancelled.

Yours truly,

  
CHIEF COLLECTOR

Deputy Land Officer,  
Ottawa, Canada.

Gentlemen,-

The undersigned, Charles W. Smith, who has filed on the East half of Section One (1) in Township Eleven (11) Range Twelve (12) west of the 10th Meridian, and

Lafayette S. Smith, who has filed on the west half of section Four (4) same Township and Range, all in Alberta, Canada, ask leave for an extension of time to get on their claims.

The first named person, Charles W. Smith, has just returned, March 18, 1909, from his land where he has just finished building his house. However, and finds that on account of the very severe winter here in North Dakota, that most and in fact nearly all his machinery is under snowdrifts and he cannot get it out until the snow melts, and the roads are very poor and almost impossible at present with a load. This will delay his departure for a few days. They are able to get to their land in time, but for fear that anything should happen to delay them they wish to be ready and save their land. Please reply at once if you grant an extension of time.

Respectfully yours,

Sir,

E.F. 4 - 11 - 12 - 7. 4th M.

The Department is in receipt of your statutory declaration of the 26th ultimo, and your accompanying letter, submitted in defence of your pre-emption entry above described against which cancellation proceedings are pending, and it would appear you are in very serious default as regards both residence and cultivation.

It is noted that you claim no breaking or cropping since the year 1911, and moreover you claim cultivation as follows:

|      |       |    |        |         |    |       |

| 1911 | "     | 10 | "      | "       | 90 | "     |

whereas in your application for homestead patent, dated the 25th January, 1912, you claimed cultivation as follows:

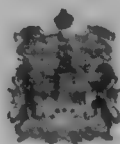

Encl.

|      |       |    |        |         |    |       |

| 1911 | "     | 10 | "      | "       | 50 | "     |

It will be necessary for you, when next in communication with the Department, to explain the discrepancy existing between the two statements above quoted.

Re Lafayette S. Smith

Your files 72600-75104.

Sir:

I am in receipt of your letter of the 10th ultimo with accompanying report made by Homestead Inspector Wilcox, which merely states that Mr. Smith is at Calgary, Alta., and not intimating that any action was taken towards collection of the indebtedness incurred by him on the security of this land.

The annual statement addressed to Mr. Smith at 104- 4th St. N.E., Calgary, was apparently received as the same was not returned unclaimed.

The amount of principal for advances obtained in 1915 and 1919 totals \$524.80, which with interest compute to 31st March last amounts to \$946.96. In view, therefore, of the large amount of indebtedness outstanding, and the matter of the cancellation of his entry for this land being under consideration, I am requesting the Agent of Dominion Lands at Calgary, by copy of this letter, to endeavour to have Mr. Smith interviewed, and collection on account of this indebtedness made.

Sir,

Re. L. S. Smith,

-----

I have obtained an Abstract of title covering the Sw-4-11-12-4, and according to same this quarter-section was transferred from L. S. Smith, to Alex. Waddell, the transfer being registered on the 13th of April, 1917. The quarter was then transferred from Waddell to one James Neil, the latter transfer being registered on the 29th of August 1917.

All of the 1915 liens are registered and a correct charge against the said Sw<sup>4</sup>, and we must look to the present owner for payment. As I am not aware of the present address of Neil, I would request that you instruct your Homestead Inspector to investigate when in the district and make a report.

Your obedient servant,

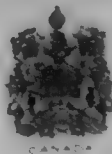

F. Marchand,

Re - J. S. 4-11-18 & 4

SIR:

I am in receipt of your letters of 26th ultimo and 1st instant, and I would direct your attention to the fact that this land is subject to cancellation in regard to which official action has not yet been taken.

The information contained in your letter of 1st instant would seem to affect matters as touching on S. N. 1. as from Abstract of Title before me the 1913 indebtedness appears only registered and shows transfer from Lafayette A. Smith to Alexander Waddell registered on 13th April, 1927, and a later transfer was made from Waddell to James Neil on 29th August, 1918, and Neil is the present owner.

This - of course - does not protect us for the 1919 indebtedness incurred by Mr. Smith against the land above described, and I would therefore ask that you have this matter taken up with Mr. Smith in an effort to have him liquidate his 1919 indebtedness.

Your obedient servant,

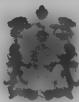

P. Marchand

Referring to your letter of the 22nd  
ultimo, in which you state that L. S. Smith claims  
to have no recollection of having received said  
train in 1919, in this connection I beg to inform  
you that the Department is in possession of the  
original application form and lien executed by  
Lafayette S. Smith of Burdett, Alta., on the 22nd  
April, 1919, on the security of the N.W. 4-11-12-4,  
and witnessed by Millian Anderson, for value  
received, as follows:

|               |            |               |
|---------------|------------|---------------|
| 10 bus. Wheat | 12.17..... | 126.00        |
| 20 bus. Oats  | 1.10.....  | 20.00         |
| 15 bus. Hay   | 11.25..... | 168.75        |
|               |            | <u>315.75</u> |

1st. 7th Apr. 22, 1919.

A comparison of the signature with  
that on the lien executed by him in 1918 shows  
that he is undoubtedly the same man.

Sir,

Re S.W. 4-11-12-W. 4th Per.

I beg to acknowledge receipt of your letter of the  
22nd ultimo regarding payment of your Seed Grain account and  
am forwarding a copy of it for his information to the Agent of  
Dominion Lands for the district in which your land is situated.

The proposed exchange of your land is a matter which  
will have to be dealt with by another branch of this Department,  
but as to the liquidation of your Seed Grain account in the  
manner suggested by you I can only say that it is obviously out  
of the question.

Account of the sale in respect of the S.E.-1-4. Mr. Hall states that some ten or twelve years ago the Koenig land entry for the N.E.-4-20 is a purchased homestead, and he states that Koenig died some few years ago and that the N.E.-4-20 has since then been abandoned. If the N.E.-4-20 is open and if your department desires to have payment of the amount mentioned, it would appear that the offer of Mr. Hall to accept the land and to pay the amount of the account is eminently fair. He shall be glad if you will give this your attention and let me hear from you in due course.

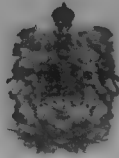

Yours truly,

M. A. B.

Sir,

Re S.W. 1/4 4-11-12, W.4th M.  
James Neil.

N.E. 1/4 28-9-12, W.4th M.  
Purchased homestead - Simon Koenig  
(deceased).

-----

I am to acknowledge your letter of the 25th October last concerning the liability of James Neil of Burdett, Alberta, in respect to the seed grain indebtedness charged against the quarter-section above mentioned in the name of Lafayette S. Smith who obtained a homestead grant of letters-patent of the land on the 26th March, 1912, and in reply to say your representations have been noted.

With regard to your suggestion that the Department might entertain a transfer of Mr. Neil's interest in this land in exchange for the unpatented purchased homestead of the late Simon Koenig I may say that there is no provision in law whereby the matter could be arranged.

Your obedient servant,

Secretary.

Sir,

Re - S.A. 4-11-12-444.  
James Bell.

Relative to yours of the 25th ultimo addressed to the Secretary of this Department, and in connection with the Seed Grain indebtedness outstanding against the above described land as incurred by the former owner L.S. Smith. I beg to advise that those Liens are a prior charge against title and Mr. Bell is responsible for re-payment as long as he remains the registered owner.

As contended by you the land itself is liable for the debt, but I would point out that the Department has the right of foreclosure under those Liens in case no satisfactory arrangement is made for their liquidation.

Your obedient servant.

The debtor lost all equity in the title to the S. 4-11-12-W. 4th as patent has never been issued and the title still stands in the name of the Crown. Title to the S. 4-11-12-W. 4th was acquired by the Municipal District of Bow Island on April 1st, 1930 through tax recovery proceedings.

The municipality has recently made a sale of the S. 4-11-12-W. 4th for the sum of Eight hundred dollars (\$800.00) and are requesting an adjustment of this account.

This land is situated in one of the drier sections of the province and it is assessed at Four hundred and eighty dollars (\$480.00) so it would appear that a fair price has been realized from the sale. It is my recommendation that the proceeds of the sale be distributed pro-rata between the above account and the tax arrears of

Don't y.2.

Five hundred and six dollars and seventy-nine cents (\$506.79) after first allowing a nominal sum of Five dollars (\$5.00) to cover costs.

The allocation of the monies will be as follows:

|                           |               |
|---------------------------|---------------|
| <u>Costs</u>              | \$5.00        |

| <u>Remission Advances</u> | <u>606.20</u> |
|                           | \$ 800.00     |

According to information obtained from the Secretary-Treasurer of the Municipal District the above named debtor left the district many years ago and his present whereabouts is unknown so there is no possibility of making any recovery under the personal covenant and no other security exists.

It is my recommendation that after making application of the payment of Six hundred and six dollars twenty cents (\$606.20) the amount be so adjusted that it will be paid in full, and the relative liens discharged from the title.

Yours very truly,

CHIEF COLLECTOR
